ARGENTINA / ARGENTINE

C. Implementation in specific instances

Specific Instance

SHELL/ INPADE-Amigos de la Tierra

1. The request to consider the specific instance was received on May 28th, 2008. The Specific Instance was presented to the Argentinean and the Dutch National Contact Points. Both NCPs have been co-operating in the process with regard to procedural aspects and the merits of the “Complaint”.
2. The specific instance was raised by The Institute for Participation and Development of Argentina and Foundation Friend of the Earth of Argentina
3. The chapters of the Guidelines cited in the specific instance are:
 - II General Policies
 - III Disclosure
 - Environment
4. The specific instance does not involve business activities in a non-adhering country.
5. Sector of activity: Energy (petroleum).
6. The acceptance of the specific instance is still pending.
